

This is just about the most discreet wall mounted radiator you can buy. For the true minimalist, Carat is the ultimate in clean lined elegance. Its flat panel simplicity will suit any contemporary setting from the modern apartment to the art gallery or high tech office. This tough, hardwearing heat emitter has a strong geometric form which complements efficient and uncluttered environments, and provides an impressive heat output. Top grilles and welded side panels on the doubles add to the strength, ease of cleaning and overall streamlined appearance.
