

With a unique, individual appeal that will not date, the new Metro is suitable for modern lifestyle applications and architectural spaces. Its large, easy-to-clean surface area provides excellent heat output. Connections and air vents are neatly hidden to maintain the formality and purity of the design. An optional chrome bar for drying towels is a useful and attractive accessory

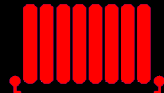

Specifications

Models Available	19
Materials	Steel
Standard Finish	White
Connections	1/2" BSP
Delivery Details	Standard finish: up to 10 working days
Guarantee	5 years
Output Range	260 - 1259W
Stock availability	Stocked in standard white

[Outputs: 90/70/20 Δt 60°C EN442]
