

This sleek tubular model creates a minimalist feature for any urban interior. This radiator is very similar to the RT 25 but with 13mm tubes instead of 25mm. It comes in a vast range of sizes from a single product range and like the RT 25 it can be single or double tubes, mounted either vertically or horizontally. The RT 13 is available in a select range of colours, as well as Chrome for the single version.

Specifications

Models Available	34
Materials	Steel
Standard Finish	White
Connections	1/2" BSP
Delivery Details	Stock items (Highlighted): 3-5 working days Colours and orders: 6-8 weeks
Guarantee	5 years
Output Range	574 - 3159W
Stock availability	Highlighted models in stock
