

New Product from Radiator Centre Ltd

New to the Radiator Centre Ltd. These cleverly concealed high output radiators are surround by the beauty of their stainless steel casings.

The Nevada : Plain and simple in its design, The Nevada is the first choice of casual home or office builders. Less is more!

The Cyprus : The seven polished discs on the Cyprus create an elegant eye-catching design

The Las Vegas : With the extra decoration of a polished strip of stainless steel, the Las Vegas gives that extra design element where required.

The Italy : For those who want to combine the elegance of stainless steel with soft and romantic decoration will love Italy. A Delicate Creation!

The Egypt : The absolute limit of imagination. This stainless steel panel is embedded with Crystallized Swarovski Stone. A swanky radiator for those who love diamonds
