

Tekne's gleaming chrome surface combined with stunningly simple elegance ensures a truly different look of opulence with a suggestion of precious metal ingots. Practical as well as beautiful, the Tekne's smooth lined formation discourages dust collection while generating warmth and comfort. Please note the towel rail shown is a optional extra. Available in both horizontal and vertical models. The horizontal model is available in two column sizes : 50mm x 100mm (as shown in main image), and 30mm x 60mm. The vertical model is 30mm x 60mm only.

Specifications

- Models Available 10
- Materials Steel
- Standard Finish Chrome Only
- Connections 1/2" BSP
- Delivery Details All items: up to 10 working days
- Guarantee 5 years
- Output Range 900 - 2484W
- Stock availability All items in stock
