

This vertical radiator is one size only - but what incredible proportions for an amazing feature! The TreO is one of our three minimalist, high-design and perfectly proportioned radiators. Choose either the totally smooth surface of the Tif, the single row of holes in the Flat, or the impressive TreO with three large centred holes. The Flat and Tif are available as horizontal versions in a range of sizes, however at present the TreO is available in one size only and vertical.

Specifications

- Models Available 1
- Materials Steel
- Standard Finish White
- Connections 1/2" BSP
- Delivery Details All items 6-8 weeks
- Guarantee 5 years
- Output Range 657W
- Stock availability Non Stock product
