Towel radiators are now an integral part of the modern bathroom and thanks to the NEW 'Space' from The Radiator Centre, you can fit a quality towel rail as standard at an unbelievable price. Sophisticated and stylish, the Space offers a touch of luxury at an everyday price – appealing to the builder, property developer and installer alike – perfect for every type of bathroom whether traditional or contemporary. There are 9 model sizes and both straight and bow fronted profiles they offer excellent siting flexibility allowing the towel rail to become a stunning bathroom feature or tucked away where wall space is more limited. The Space is easy to clean and dries towels quickly – perfect for any size of household. And for complete peace of mind, every Space towel rail is covered by a full 5 year guarantee.
